Denise Craig	(909) 383-4260	denise.craig@dot.ca.gov

Supervisory Meeting (continued)

Steve Lee (Above) and Gerald James (Below Right) came down from Sacramento to talk to our Supervisory members at the Old Spaghetti Factory in Redlands earlier this month. Some of the topics covered were the raise that we received, SB1, the hiring of new Engineers, pension reform and the upcoming MOU. They also held a question and answer session to make sure everyone was well informed of the current issues.

Retirements

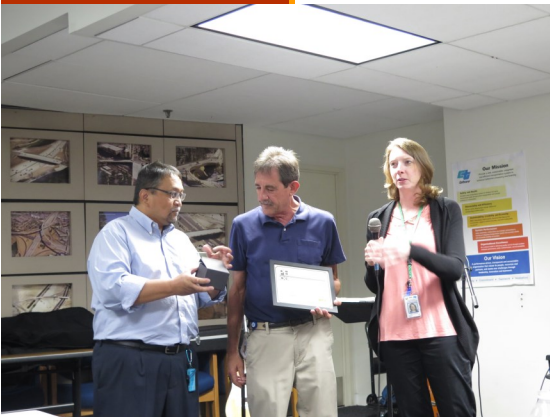

Rosanna Roa retired with over 40 years of State Service! She finished up working in the Environmental division, but had stops in Construction, Planning and Design over the years. Since photography was her hobby, she was responsible for many pictures of PECG events held throughout the years.

Retirements (continued)

Landscape Architect **Mike Babich (left)** and Landscape Associate **Charles Moffett (right)** retired within one month of each other. They both had close to 40 years of State Service when they retired. Our Landscape division will have a hard time replacing the experience that both Mike and Charles contributed.

Retirements (continued)

(Above) Joya with Patraic Kelly, who last worked in the Stormwater Inspection unit. We wish him a long and happy retirement!

(Above) Sample of the Retirement Cube given to PECG Members upon their retirement.

We're on the Web at
www.iepecg.org and on
Twitter at "IEPCG"!

Upcoming Events

A large graphic of a lightbulb. The top half of the bulb is filled with various STEM-related icons like a lightbulb, gears, a computer, a DNA helix, and a rocket. The word "STEP" is written in large, bold, black letters across the middle of the bulb. The bottom half of the bulb is the silver, threaded base.

SCIENCE * TECHNOLOGY * ENGINEERING * MATH

TEACHERS CONFERENCE

Tuesday October 3, 2017
K - 12 Teachers
8 am - 3:30 pm

Register at:
www.stepconference.org

Bourns Technology Center
