

**2024
PECG
Inland Empire Section
Vice President Supervisory**

NAME OF CANDIDATE:
CLASSIFICATION:
DEPARTMENT OR AGENCY:
WORK LOCATION (CITY):
YEARS OF STATE SERVICE:

Aung Naing
Senior Transportation Engineer
Caltrans
San Bernardino
23.5

WORK EXPERIENCE:

I have 23+ years of experience with Caltrans, where I worked in various programs and divisions in Districts 7 and 8, including the Divisions of Traffic Operations, Transportation Planning, Design, and Construction. I received a Bachelor of Science in Civil Engineering from the University of California, Los Angeles, in 2000. Also, I earned my Master's degree in Transportation Management (MSTM) from San Jose State University in 2022. Currently, I am a Senior Transportation Engineer at the Traffic Design unit in the Caltrans District 08.

PECG EXPERIENCE:

I have been a PECG member since 2000 after joining Caltrans. I regularly attend Section meetings and participate in various activities. Although I have not yet served officially on the IE PECG board, I am always eager to find new ways to give back to the PECG organization and its members.

CANDIDATE STATEMENT:

I am running for the position of VP Supervisory at PECG Inland Empire Section. I strongly believe in PECG and its achievements, and I am committed to representing our members and their interests. Technology has significantly impacted the field of Transportation Engineering in the last decade, especially in the application of information technology to traditional engineering design and transportation management. Thank you for your consideration!
