

**2024  
PECG  
Inland Empire Section  
Secretary**

NAME OF CANDIDATE:  
CLASSIFICATION:  
DEPARTMENT OR AGENCY:  
WORK LOCATION (CITY):  
YEARS OF STATE SERVICE:

Michael Worland  
Transportation Engineer (Electrical)  
Caltrans  
Fontana  
6

**WORK EXPERIENCE:**

During college I worked for an outdoor signage company helping do fabrication and installation work for various jobs as well as warehouse work doing promotional item fulfilments for various department stores. As a student at Cal Poly Pomona, I was involved with a Northrop Grumman sponsored UAV project where I had the opportunity to be the electronics systems group lead and was responsible for organizing and delegating tasks to members. During my senior year I started with Caltrans as a Student Assistant where I assisted Maintenance and TMS with network communications for the irrigation control system. After graduating, I applied and accepted the Transportation Engineer Electrical position in Traffic Census where I have now been for 5 years and change, working to collect District 8's freeway and highway vehicle counts and representing the TMS group in matters concerning Traffic Census.

**PECG EXPERIENCE:**

I have been a PECG member since I started working with Caltrans in 2018.

**CANDIDATE STATEMENT:**

I would be honored to serve PECG's Inland Empire section members as their Secretary. I have been a PECG member since starting with Caltrans and have always been a proponent of active and involved union membership. I respectfully ask your vote for the opportunity to work hard to serve our union's members and I appreciate your consideration!
